Square, bluff and honest as the men who steer them, these gull graceful cats await the proper tide to make the rounds of the traps. Once this sea worthy craft was the most popular type afloat in local waters but times have changed and hulls have trimmed down for speed. Nothing has surpassed this one for the lobster fisherman, however, and the cold waters of the north abound with fat cats.

complete and tested. He said that the Bay Corporation is now working on the most difficult area on Water Street because of the depth of the cut but are making excellent progress and will be out of the downtown area by the first week of November and have the street patched. They will return in the Spring for a complete overlay of asphalt over the streets that have been dug up. Mr. Michalski said that he has been in contact with Craig Dore of the F.H.A. who did not think that the town was eligible for a federal grant but did think that a loan at 5% interest could be obtained.

The Selectmen discussed, at length, the future possible expansion of the sewer line. They have received many requests for such expansion and have a decision to make regarding this in order to inform Fairhaven so that capacity can be built into a new sewer treatment facility. Mr. Michalski said that the town will now reach a possible 60,000 gallons per day of flow after all connections are made and has already paid for 260,000 gallons of flow, so has a large reserve already contracted. The Selectmen agreed with Selectman Blasdale's opinion that there should be a short range (5 years) plan and an overall long range plan for the next 25 years. Mr. Blasdale said that there is a strong opposition to large expansion to allow huge developments of marginal land. He said that in his opinion the Selectmen

should concentrate the short range attention to areas of the town adjacent to the pipe already laid so as to eliminate problems in this original area. He noted that Tobey Lane, Atkinson Way, the rest of Main Street and Captain's Way are in the village area and are not included in the system. Chairman William Hubbard expressed the view that developers should be required to install sewer pipe just as they are now required to install water pipe and roads so that the town will not have to pick up a large future expenditure.

Mr. Michalski said that he would gather figures that the Selectman can use in their estimate of future expansion.

### BOARD OF HEALTH TO REQUIRE SEWER HOOK-UP

The Board of Health has prepared a notice to homeowners that residences along the sewer line will be required to hook up to relieve the health hazard of human waste entering the harbor through leaching into brooks and streams. Since the design of the collector sewer system requires a minimum flow to function properly, all abutters will be required to connect into the line in order to insure this volume.

Since they are both new to the state senatorial race and Marion is new to the district, Sunday night might well be a learning situation for all concerned citizens.

There will also be an opportunity to discuss the ballot questions. League representatives, knowledgeable of the questions and issues involved, will give presentations of all questions, especially #1 - Property Tax Classification.

There will be ample opportunity to learn the positions of the candidates on the ballot questions as well as a general question and answer period.

### HARVARD KROKODILOES AT TABOR

For its opening concert of the 1978-79 season the Tabor Music Department is hosting the Harvard Krokodiloes--that famous and fascinating ensemble of 13 singing collegians.

The program will begin at 7:30 P.M. in the new music facility at Hoyt Hall on Front Street in Marion. The third floor hall will be used for the concert and afterwards there will be a reception on the second floor in the music rehearsal room with refreshments by the fireside.

The Krokodiloes were formed in 1946 as a part of the Hasty Pudding Club and today perform a wide variety of musical numbers ranging from 16th century madrigals to 20th century pop charts. In past years the Krokodiloes have travelled all over the New England area and as far as Bermuda and Thailand recording over a dozen albums as well.

# Going To Be Away Election Day, November 7

## You Can Still Vote.

I've always held special respect for those people in my district who feel voting is so important they'll plan ahead for it. If they're going to be out of town . . . or can't get to the polls for some other reason . . . they vote by mail or in person before election day.

Voting is still a valuable right we all should take seriously.

If you're going to be away from home November 7, now's the time to plan how you'll vote. There are two easy ways:

1. **VOTE BY MAIL.** Call, write or visit your town clerk, who will send or give you an application. (Or have a friend pick up the application for you.) Once you've filled out and returned the application, you will be mailed a ballot, which you must have notarized and send back promptly. Election officials must receive your ballot by 8 p.m. election day, and absentee ballots must be mailed both ways.
2. **VOTE IN PERSON.** Apply in person at your town hall to arrange a time before election day when you can come in and cast your ballot. You must vote by noon November 6.

I know all of the town clerks in our district would be very glad to help you with any problems or questions. Just call or visit the town clerk in your town.

### YARD SALE - TRINITY LUTHERAN CHURCH

Among the ten communities contributing to the gigantic Yard Sale to be held on the grounds of the present church building of Trinity Lutheran Church, 5 Park Avenue, Fairhaven, will be families in Mattapoisett.

To lighten the mortgage loan of the new church building, which is being built on Temple Place and Washington Street, the members of Trinity Lutheran Church decided to get together and hold an all-family Yard Sale. It promises to be the biggest and best of the season. With so many families contributing the items for sale and with the unneeded items from the present church building it seems unlikely that there would be something which you could not find at this sale.

There is to be no rain date. If the weather is unfavorable, the items will be displayed inside the present church building--5 Park Avenue, Fairhaven- across Huttleston Avenue from Fairhaven High School. The Sale will be held this Saturday, October 21st, and tables will be open at 10 A.M. and the sale will be over at

## Fall Fair

The Parents and Teachers Organization (P.A.T.O.) of Rochester Memorial School is sponsoring its second annual Fall Fair to be held on Saturday, October 21, from 10:00 A.M. to 3:00 P.M. at the Memorial School, rain or shine.

The Fall Fair is a fun day of activities for children, parents, teachers, and adults, combining exhibits, games, crafts, a book sale, a baked goods table, and even a cafe where lunch will be served. Games of skill and knowledge will be set up for the children

to play for a variety of prizes. Although kindergarten or younger children should be accompanied by an adult, the P.A.T.O. hopes that all parents will plan to come. Besides the cafe and baked goods table, the P.A.T.O. will be taking orders for Rochester Memorial School sweatshirts and recruiting new P.A.T.O. members. Local people will be on hand to sell their crafts and gift items.

Anyone wishing to contribute to the baked goods table or to a table of donated handmade articles may contact either Eileen Medeiros (763-5108) or Mrs. Hartley or Mrs. Keane at Rochester Memorial School.

The Fall Fair was a tremendous success last year, and the P.A.T.O. hopes that all Rochester residents will come and enjoy a fun day!

The Sippican Rod and Gun Club will hold its monthly Turkey Shoot on Sunday, October 22nd, from 1:00 to 4:00 P.M. on the clubhouse grounds at Dexter Lane in Rochester. Rain date is October 29th.

Shotgunners will compete from 40 yards with 12, 16 and 20 gauge shotguns. Participants may use their own guns, or ones available at the clubhouse. The Sippican Club will also hold a .22 caliber rifle and pistol shoot, along with their normal shotgun event. Because of its popularity, a pheasant shoot will also be held.

Once again, the club will have a junior .410 gauge shotgun event. Participants for these shoots must be under 16 years of age. Women are also invited to participate in all shoots. If there is enough participation the club plans to hold "women only" shoots.

The clubhouse will be open and refreshments will be available. Those interested
